No “professionals” will be permitted to shoot - this is an amateur shooters event.

The event registration will include the “Flurry/Flush” team event, the “Annie Oakley” individual event, open shooting on the “Long Bird Field” and two “Skeet Fields” for warm-ups and fun. All ammunition plus beverages and dinner are included in the registration. Each registered shooter will receive a raffle ticket for door prizes and the Grand Prize. Drawings will occur following dinner.

We’ll start registration at 1:30 PM. The individual competition will begin at 2:00 PM in our Annie Oakley competition (see the attached rules and procedures), with the winner of each round to be placed into the finals. The final round will shoot at 5:00 PM. Awards will be issued to the top three shooters.

The “Flurry/Flush” competition will begin about 3:00 PM. Teams will be made up of four (4) shooters. Each team will be scored on the combined number of targets hit. The winning team will hold a trophy engraved with the team name and individual team members names for one year.

Goode Company Barbeque will serve dinner at the conclusion of the “Annie Oakley” individual event. Awards for the Team Flurry/Flush and individual “Annie Oakley” shooting events will be announced following the dinner and door prizes.
